

The conditions of Super Economy 24 Domestic Tariff.

- a This tariff will benefit customers who use gas for central heating, water heating or fires.
- b Payments must be made by monthly banker's order or other acceptable budget method.
- c The standing charge for this tariff is 30.85p per day.
- d Meters will be read quarterly and account sent for information only.
- e Your bankers order will be appraised annually.
- f If your account is in credit you can request a refund on the balance of your quarterly Statement.

Please note, refunds will only be processed against actual meter readings.

We will be happy to advise anyone who thinks they may benefit from changing to Super Economy 24. Telephone Customer Accounts on 724811.

Gas

198670
A CORGI registered company

You can do what *you* want,
when *you* want, with Gas.

That's the beauty of gas.

So simple, so clean and so convenient. Providing the Island with instant energy and warmth, at work or in the home. Available wherever you want it, whenever you want it - all day, and all of the night.

And our special low rate Super Economy 24 tariff now also means that the more gas you use, the more you can save. Gas puts you firmly in control of your cooking, heating and hot water needs, 24 hours a day all at the low economy rate.

And remember, we can provide free gas supplies anywhere in the Island, either through the mains, in cylinders, or 'mini-bulk' tanks.

Gas. The natural choice for
efficiency and economy *all*
around the home.

Super Economy 24 provides you with the opportunity to enjoy the convenience, cleanliness and economy of 'whole house' central heating - without the hassle of oil catchment pits, solid fuel mess or having to rearrange your lifestyle to take advantage of lower rates.

Super Economy²⁴
